

EVERY MILITARY FAMILY NEEDS A VILLAGE

Marine Corps Child and Youth Programs (CYP) and your support network help you build your village through trusted care, youth development, and community support.

BUILDING YOUR FAMILY'S VILLAGE

- **Safe, Nurturing Care:** Quality care and development opportunities for children and youth ages 6 weeks–18 years.
- **Youth Empowerment:** Programs that build confidence, friendships, life skills, and leadership.
- **Family Connections:** Opportunities to meet other families, build relationships, and strengthen your support network.
- **Expert Support:** Trusted professionals who support your children and family every step of the way.

BUILDING YOUR DEPLOYMENT “FIRE TEAM”

You don't have to navigate deployment alone. Build a reliable support network by connecting with others, sharing experiences, and using trusted installation resources:

- **Marine Corps Community Services (MCCS) Parenting Programs:** Local parenting programs and peer support groups.
- **Community Counseling Program (CCP):** Free, confidential counseling for service members and families on base.
- **Military & Family Life Counselors (MFLCs):** Confidential, non-medical support for service members and families on base.
- **Chaplain Support:** Confidential guidance and spiritual care through your unit or installation.
- Military OneSource / Semper Support: 24/7 support and resources for military families.
